Julia Goula Mejón

és cofundadora d'Equal Saree (2010) i arquitecta per l'ETSAB-UPC (2013). Actualment està cursant el postgrau en "Art per la inclusió social" a la UB.

Equal Saree som un equip d'arquitectes i investigadores amb base a Barcelona. Des de l'any 2010, amb un enfocament feminista, dissenyem espais inclusius a través de la co-creació amb les persones que hi viuen. Utilitzem metodologies participatives per posar a les persones al centre de les transformacions urbanes. Desenvolupem projectes d'arquitectura i espai urbà, dissenyem i facilitem processos de participació i realitzem accions de formació i sensibilització.

Les nostres ganes d'innovar i compartir, ens han portat a crear projectes de divulgació com La Generadora, un espai d'intercanvi i creació en l'àmbit de l'urbanisme i l'arquitectura feminista. També hem col·laborat en diferents articles i publicacions, entre les que destaca el nostre llibre "El pati de l'escola en igualtat. Guia de diagnosi i d'intervenció amb perspectiva de gènere".

Toni Mascaró, emprendedor, conferenciante y formador.

Fundador y director general de eMascaró, una empresa con más de 15 años de experiencia dedicada a la creación de proyectos digitales para las principales empresas, organizaciones y startups en España.

Fui uno de los primeros en apostar por la transformación digital a través de las nuevas tecnologías e Internet.

Comparto mi experiencia y conocimiento dando conferencias y masterclass en las principales Escuelas de Negocio y Universidades de todo el mundo.

Asesoro consejos de administración y startups gracias a mi experiencia en el mundo digital.

Apasionado de la creatividad, la innovación y el emprendimiento y con mi experiencia busco hacer un mundo mejor.

Mis ideas las comparto a través proyectos, conferencias, colaboraciones, artículos y publicaciones en las redes sociales para empoderar a las personas, las organizaciones y toda la sociedad.

Invierto y participo en aquellos proyectos que buscan innovar por medio de la estrategia, la creatividad y las tecnologías.

Estos objetivos se han convertido en mi meta personal, y por eso:

- Creo proyectos digitales al máximo nivel.
- Ayudo a las organizaciones en su proceso de transformación digital.
- Fomento la creatividad y la innovación para que la sociedad y las organizaciones progresen.
- Promuevo el emprendimiento dentro y fuera de las organizaciones para afrontar los nuevos retos
- Humanizo las tecnologías de la información e internet para que nuestra sociedad mejore.
- Apuesto por un proceso de reflexión que nos dé herramientas para adaptarnos a las singularidades que nos rodean.
