## **Ignace Glorieux**

is full professor of Sociology at the Vrije Universiteit Brussel. He teaches courses on social theory, social inequality and sociology of time.

He is involved in time use studies, in studies on the transition from school to work and on cultural practices and cultural participation. He is the president of the International Association of Time-Use Research (IATUR), a member of the HETUS-workforce (Harmonised European Time-Use Survey), of the Expert Group on Time Use Surveys of the United Nations Statistics Division (UNSD) and the Advisory Group of ‘Time Use Data for Health and Well Being’ of the University of Maryland.

**Will Stronge** is co-director of Autonomy, an independent think tank focusing on issues relating to the future of work. He is the co-author, with Helen Hester, of the forthcoming book – *Post-Work: what it is, why it matters and how we get there* (Bloomsbury, 2022). He holds a PhD in politics and philosophy from the University of Brighton, where has been an ESRC Research Fellow.

**Anna Ginès i Fabrelles** és Professora Titular de Dret del Treball de la Universitat Ramon Llull, Esade i coordinadora de l’Institut d’Estudis Laborals d’aquesta mateixa universitat. Es va graduar en Dret i Economia per la Universitat Pompeu Fabra, on va obtenir també la seva Tesis Doctoral, per la qual va obtenir el V Premi Extraordinari de Doctorat en Dret.

Entre les seves àrees d’investigació actuals destaca l’impacte de la tecnologia en la relació laboral, la igualtat i no discriminació en el mercat de treball. En aquest sentit, és actualment investigadora principal del projecte europeu H2020 EQUAL4EUROPE i del projecte LABORAlgorithm finançat pel Ministeri de Ciència, Investigació i Universitats. És autora de múltiples publicacions científiques, entre les que destaquen recentment el llibre “El trabajo en plataformas digitales. Nuevas formas de precariedad laboral”, “Teletrabajo. Estudio jurídico desde la perspectiva de Seguridad y salud laboral”, “La gestión algorítmica del trabajo: nuevos retos jurídicos, tecnológicos y éticos” o “Sesgos discriminatorios en la automatización de decisiones en el ámbito laboral: evidencias de la práctica”.

En matèria de transferències de coneixement, actualment forma part de la Comissió de persones expertes en algoritmes en l’àmbit laboral del Ministeri de Treball i Economia Social. Així mateix, en matèria de usos del temps, va formar part del Consell Assessor per a la Reforma Horària de la Generalitat de Catalunya i actualment col·labora amb la Barcelona Time Use Initiative en un projecte pel Ministeri de Treball i Economia Social sobre usos del temps.

**María Luz Vega**

Especialista en derecho del trabajo y relaciones laborales Funcionaria de la OIT hasta 2022 y actualmente asesora y colaboradora con diversas instituciones nacionales e internacionales. Autora de numerosas publicaciones sobre temas sociales

**Marta Junqué**, coordinadora de la Barcelona Time Use Initiative for a Healthy Society, desde 2019. Desde 2021, forma parte del Executive Board de la Asociación Mundial de Investigación en Usos del Tiempo (IATUR, por sus siglas en inglés) y ejerce la secretaría de la Red de Gobiernos Locales y Regionales por las políticas del tiempo. Actualmente, coordina el estudio de la futura ley de los usos del tiempo en España.

Marta Junqué es politóloga y máster en Gestión Pública, con más de 12 años de experiencia como consultora en proyectos de transformación y estrategia para el sector público (local e internacional). Tiene amplia experiencia acreditada gestionando stakeholders y tejiendo amplios acuerdos. Internacionalmente, ha trabajado para la Comisión Europea, diferentes agencias europeas y en el Banco Inter-American para el Desarrollo.

**Breve reseña bibliográfica.**
